MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Retirement Legislation

1. In anticipation that our proposed retirement legislation will move this congress, it now appears timely to draft remarks that the Director could use in justifying and explaining, in persuasive and non-technical terms, the package to our congressional committees.

2. It would be most helpful if you would arrange for the preparation of such draft remarks and have them forwarded to this office at an early date.

JOHN M. MAURY
